### **RE: Submission to Scrawl Studios**

Dear Sir / Mdm,

Concurrently herewith I am submitting to you that certain literary material, including the title and all other elements thereof, written by me currently entitled “\_\_\_\_\_” (the “Material”). Such submission is made pursuant and subject to the following terms and conditions:

1. I understand that, because of your position in the entertainment industry, you from time to time receive unsolicited submissions of artwork, storyboards, screenplays, teleplays, novels, formats, presentations, stories, and the like, which may be similar to those developed by you or your related parties or to those otherwise available to you (and which may be based on underlying material owned or controlled by you). I further understand that you have adopted the policy, with respect to unsolicited submission of material, of refusing to accept, consider or review such material unless the party submitting such material has signed an agreement in form substantially the same as this agreement. I specifically acknowledge that you would refuse to accept, consider, or otherwise review the Material in the absence of my acceptance of each and all provisions of this agreement.
2. In consideration of my execution of this agreement and of the submission concurrently herewith, you agree to use reasonable efforts to cause the Material to be reviewed. I have retained at least one copy of the Material submitted to you concurrently herewith. You have no obligation whatsoever to return the Material to me. I agree that neither you nor your principals, associates, affiliated entities, agents, employees, representatives, assigns, or successors-in-interest have any obligation to me with respect to the Material except as set forth in this agreement, and that no other obligations exist or shall be deemed to exist. I further acknowledge that at this time you do not intend to compensate me in any way (and I do not expect to receive any compensation), but you agree that, except as provided in Paragraph 3 below, you will not use the Material unless you pay me an amount for such use upon which you and I shall hereafter mutually agree.
3. If the Material or any element thereof is not new, unique, novel and/or is in the public domain and/or does not constitute protectable property and/or is not original with me, then as between you and me, I agree that you shall have the right to use such element(s) without any obligation to me whatsoever. Without limiting the foregoing, I claim rights in the title of the Material only with respect to the use of the title in connection with the Material.
4. Any controversy arising out of or in connection with this agreement, including without limitation any claim that you have used any legally protectable portion of the Material in violation of the terms hereof, shall be governed by the laws of the Republic of Singapore, and the parties consent to the jurisdiction of the Singapore Courts for the resolution of such matters. In the event of such controversy I agree that I will assert such claims not later than six (6) months after the date on which I first learned (or reasonably should have been aware) of your use or intended use of any portion of material which I believe is in violation of this agreement. I further agree that my rights and remedies, if any, shall be limited to an action to recover money damages in an action at law, which shall in no event exceed the fair market value of the material on the date hereof and without limitation of the foregoing I expressly agree that I will not seek to enjoin or restrain the production, exhibition, distribution, sale, licensing, advertising, and/or promotion of any of your

programming, promotional or marketing plans, and/or any of the subsidiary rights in connection therewith. Should I be unsuccessful in any such action, I assume and agree to pay, upon demand, all costs and expenses of suit, including but not limited to attorneys' fees and litigation expenses incurred by you in the defense of such action.

5. I hereby warrant and represent that I have created the Material, I am the lawful owner of the same, and I have the full power and authority to submit the Material to you. I agree, at my own expense, to defend, indemnify and hold harmless you and your associates, affiliated entities, agents, employees, representatives, assigns, and successors-in-interest from and against any suit, claim or proceeding arising from or relating to a breach of any of the foregoing representations and any breach of this agreement.

6. To the extent that any provision of this agreement conflicts with any statute, law or regulation, the latter shall prevail; provided, however, that in such event the provision(s) of this agreement so affected shall be curtailed and limited only to the extent necessary to permit compliance with the minimum requirements thereof.

7. I hereby state that I have read and understand this agreement and all of its provisions and that this agreement states our entire understanding regarding the Material.

Truly yours,
